S-1. Approval of 2024 Budget Calendar – Action Item (Rabe)

It is my custom, especially in this interim period where there is uncertainty about who will be preparing the 2024 Budget, to have the governing body approve a Budget Calendar so that everyone is on the same page with regard to the process, dates, etc., as well as to add transparency, not only for Staff, but for the governing body and general public.

Recommended motion "... to approve the 2024 Budget Calendar as presented."
