Sewer Volume Charge
All customers will be charged \$4.83 / 1,000 gals based on Winter use.
Residential rate will be determined by using the actual January water consumption; with a minimum volume being 1,500 gals.
If there is no Winter use value, then a charge for 4,000 gals will be used until one is established.
Commercial customers will be billed for actual monthly usage at a rate of \$4.83 / 1,000 gals.
